

# SolChargeNano

## CAPABILITY STATEMENT

Our Commercial Solar Installation and Maintenance Solutions page, where we take your solar investment to the next level. At SolCharge Nano, LLC we specialize in delivering cutting-edge solutions that not only ensure the seamless installation of solar panels but also maximize your Return on Investment (ROI) through innovative maintenance techniques. One of our standout features is our use of advanced nano-technology for solar panel cleaning. This groundbreaking method not only keeps your solar, EV Charger, & Battery working efficiently. Discover how our expertise can elevate your commercial solar project today!

## OFFERINGS | SERVICES

### EV Charging

- Installation
- Management-Seamless Operation and Maintenance of the Stations
- Eco-Friendly and Enhanced Efficiency
- Large Scale Commercial Establishments - Offering a Diverse Range of Charging Stations

### Ceramic Roof Coating

- Enhanced protection against harsh weather
- Extend Life Span of Roof
- Reduced Maintenance Costs
- Reduced Heating and Cooling Cost
- Reduced Carbon Footprint

### Solar & Battery Installation

- Embrace clean energy and reduce your carbon footprint
- We custom design and install solar systems
- Secure a reliable and cost-effective energy source
- Battery & Generator Storage installation

### Solar Maintenance

- Identify and Address Issues Promptly
- Prevent Electrical Inefficiency and Potential Hazards
- Maximize Energy Production

**Email:** msayeed@solchargenano.com

**Phone:** 214.680.2844

**URL:** www.solchargenano.com

**Work Area:** Domestic

**Socio-economic Status:**

Asian Pacific American | Small Business | Veteran Owned | Minority Owned | Small Disadvantaged Business | HubZone

**Certifications:** VOSB & HUBZone

## NAICS | PSCs

**221114** Solar Electric Power Generation

**221118** Other Electric Power Generation

**238210** Electrical Contractors and Other Wiring Installation Contractors

**561720** Janitorial Services

**561790** Other Services to Buildings and Dwellings

### PSC

**6117** Solar Electric Power Systems

**6130** Converters, Electrical, Nonrotating

**6125** Converter, electrical, Rotating

## DIFFERENTIATORS

- Advanced Nano Technology
- Distilled Water Use for less water usage
- Continued Monitoring of PV Panel Performance
- Environmentally Certified
- Rapid Response Customer Care
- Experienced Professionals
- Fair and competitive pricing.
